REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Chapin Elementary School is located in one of Lexington-Richland School District Five’s most rapidly growing communities. This year, our school served over 900 students from grades preschool through fifth with a talented staff of over one hundred personnel. At Chapin Elementary, student performance is at the center of all our efforts. Chapin Elementary was a Palmetto Gold Award recipient, having an “Excellent” Absolute performance rating for 2013-2014.

The school year saw the continuation of district-wide initiatives. Data Teams met weekly to prioritize the focus on student achievement using various formative assessment data and innovative instructional strategies within the regular classroom. This process provides greater focus on curriculum and data-driven instruction for meeting the learning needs of each student. Response to Intervention (Rtl) services were targeted in grades K-5th where data was triangulated and used to identify intentional instructional strategies in the area of reading. Positive Behavioral Interventions & Supports (PBIS), in its third year of implementation, provided a common language and positive behavior program to ensure student learning flourished at high levels.

Our active and enthusiastic PTO was instrumental in supporting our school by hosting the Boosterthon Fun Run, Innisbrook, Eaglet Fest, Eaglets and Easels, musical performances, Spirit Nights, Muffins for Moms, Donuts for Dads, and Goodies for Grandparents. Teachers received a check for \$150.00 to spend towards classroom needs. PTO sponsors frequent activities that make Chapin Elementary a fun and quality environment for our students!

The generous community service of our children was demonstrated through many outreach events and fundraisers including projects Relay for Life, WE Care, Polar Plunge for Special Olympics, Epworth, UNICEF, and Harvest Hope. The students raised more than \$7000 and 870 pounds of food. These activities are critical to ensure that our children increase their community awareness and understand how their efforts at any and every age impact the community.

Learning opportunities at Chapin Elementary are available for students and include; literacy blocks for reading, writing, math, science and social studies. It also includes the academically gifted program; Spanish Club; Flag Patrol; Recycling Club; Chorus; Strings; Walking Club; Chess Club, Eaglet Ambassadors, Friendly Helpers, Peer Pals, Safety Patrol, Recycling Club and WCES morning television show.

The mission of Chapin Elementary is “to assure that all students learn at high levels in a supportive environment.” To accomplish our mission, we use data to make informed instructional decisions, teach literacy across the content areas, provide multiple opportunities for teacher collaboration and support positive behavior interventions. Through the collaborative efforts of our students, faculty, parents and community; we will continue to provide every child at Chapin Elementary School the best possible education in a supportive child-centered environment.
